

## 29 SEPTEMBER 2017 - FRIDAY: PRAY & FAST

Theme: “So all of us who have had that veil removed can see and reflect the glory of the Lord. And the Lord—who is the Spirit—makes us more and more like him as we are changed into his glorious image”.

2 Corinthians 3:18-19 NLT...

Dear Praying friends:

There is no greater honour than that which the Father has destined for us... which is to transform us to be more like Jesus - to be a reflection of the Lord's glorious image for eternity – what an honour.

What a privilege! Can we even begin to understand what this means for us?

Many people pray to be like their hero's – some want to be like their president, others hope to be like their pastor, some ask to be like their favourite movie star or childhood hero.

But there is a likeness and reflection that we should strive to attain more than that of anyone else – Jesus should be our ultimate desire. Our first love!

Would it not be better to reflect that which is only the best and most beautiful? Nothing stops us from asking God to transform us on a daily basis, and to complete the work in us!

Dear Father,

Our desire is not to have world riches... those die with the leaves.

Our desire is not to be like human hero's... they fail and wither like the grass eventually.

Our desire is not to place our Hope in anything ... Save Jesus Christ, the Son of the Living God. Turn us and change us oh God, to reflect Jesus in every way that would be pleasing to you. In Jesus Name, Amen.

This Month our prayer focus will be to pray for EAR2HEAR:

## MINISTRIES

Please pray for the **resources** we supply to ministries, organisations, Churches and leaders. Pray for God's provision so that we might be able to reach the many people that God has placed on our paths.

Please pray for the **HOPE BOX** project. This project is starting to take momentum. However, we are in need of support and financial resources. We are also hoping to train organisations to build their own boxes so we are not the sole provider or builder of the boxes. Thank God for all He done for us already with respect to this project. Pray for new opportunities, resources, finances open doors and support.

Please pray for the **leader's facilitation** we do among churches and ministry leaders. Pray for the workshops we put together. Pray for open doors at leadership forums, leader's conferences and strategic areas that affect leaders locally and internationally.

Please pray for **evangelism and discipleship** work being done through home Churches and **ORGANIC GROUPS**. Pray for opportunities to assist Christians to start their own ORGANIC GROUPS. Pray that the existing groups around the world would grow and multiply.

Please pray for the **websites** that we are building to serve ministries who partner within our ORGANIC NETWORK. Pray that the websites would be well cared for and safe from hackers. Pray for more skilled and talented volunteers to assist with the technical work.

## NETWORK

Please pray for the **partners** and **friends** of EAR2HEAR who work together with us to build the **KINGDOM**. Pray that God would bless this unity so that God can make us more effective for Him. Pray for new partners. Pray for dormant and struggling partners, that God would release new excitement and energy for the work they are mandated to do.

## CARE

Please pray for the care programs and projects EAR2HEAR are involved with.

**Valuable to Jesus** from STRAATWERK MINISTRY is being used as an essential tool in the ministry we do with children; Empowering children against pornography, prostitution and sexual abuse. Please pray for open doors, resources and communities to help us have greater impact for the Kingdom.

Please pray for our **BLANKET** PROJECT, **GLOVE** PROJECT, **YEAR-END** PROJECTS, **CLOTHING** PARCELS, **FOOD** PARCELS AND **STATIONERY** PROJECTS. Pray that God would provide us the help we need to continue making these projects a possibility. Pray for provision, finances and volunteers.

## PRAY

Pray for the growth of our **prayer network**. Pray for an increase in the number of people who support us in prayer. Without the prayers of God's saints, all we would do would be for nothing. Pray for someone to assist in the prayer ministry.

## GENERAL

Please pray for the **leaders** and volunteers of EAR2HEAR, that God would grant them the Grace to continue **faithfully** and **effectively**.

Pray for new **office premises** we need to do the work; pray for favour from Land-lords, and provision to maintain the premises we need.
