Week 4 of 4

Dear Praying Friends:

*Isaiah 2:2 – 4 NLT*

*"In the last days, the mountain of the Lord's house will be the highest of all— the most important place on earth. It will be raised above the other hills, and people from all over the world will stream there to worship. People from many nations will come and say, "Come, let us go up to the mountain of the Lord, to the house of Jacob's God. There he will teach us his ways, and we will walk in his paths." For the Lord's teaching will go out from Zion; his word will go out from Jerusalem. The Lord will mediate between nations and will settle international disputes. They will hammer their swords into plowshares and their spears into pruning hooks. Nation will no longer fight against nation, nor train for war anymore.*

The most important place to be will be the mountain of the Lord's house. It is coming to our earth not long from now. We do not have to wait for the return of Jesus to be taught by God concerning His ways and paths. For those eager to know their God we can call on Him to teach us today as we climb the mountain of God into His presence. Reaching the Father, according to Paul the Apostles ministry on Mars Hill, is far more possible than we realise. If we are seeking and calling after Him – He will hear us and answer. Paul says we may even feel after God – and He will not be very far from us. We shouldn't delay, if this is so freely available.

All creation grows in travail awaiting for the return of Jesus; we know that very soon that He will come... and in doing so bring an end to all disputes, warlords and weapons. That time is not yet. War is before us. The Bible tells us that the Spiritual realm is rife with activity and we need to be vigilant of our enemies devices – and diligent in prayer.

Dear Father, We look forward to the day of your son's return. We look forward to the dawning of the New Jerusalem. The house of our God on the highest mountain. We long for the wonders that will come with the change that your House will bring. Yet Father we don't want to wait till Jesus comes. We want to know you ways and paths today. Show them to us. Why should we wait only till your son's return. Father teach us and change us to be like you. In Jesus name, Amen.

EAR2HEAR is a very small gear, in a very large KINGDOM of gears. However God has placed us in key areas to make a difference. Through our various ministries, network, care and pray initiatives we are able to move and work effectively.

Truthfully, the needs of this ministry have become enormous; far beyond the abilities of one individual or several entities. That is why we ask that you pray with us. Our needs can only be met by God on this supernatural journey.
