

## DAY 18

*“I will hurry, without delay,  
to obey your commands.”*

Psalm 119:60 NLT

You may be waiting patiently to enter the “new season”... good for you. Day 6 of this prayer guide encouraged readers to wait patiently for God while He prepares the way forward for them. There is going to come a time when the Lord will say “Now you must move” and you will know then the doors to the “new season” have swung wide open. It may happen that if you delay walking through those doors, you may find the season will progress longer than hoped. All seasons have a set time and come and go according to that time. God has a purpose to accomplish with you in the “new season” you are about to enter and procrastination will only keep you from fulfilling this season’s purpose. Someone once said, ***“Procrastination is the arrogant assumption that God owes you another opportunity to do what you had the time to do”*** (Author unknown). Sometimes there are second and third and fourth and more chances with God because He is merciful... other times God gives us one opportunity to make use of all He has to offer for us in the “new season”. When God instructs you make sure you hurry without delay to do as He instructs. Ask the Holy Spirit to help you hear God’s voice clearly and for the strength to step into the “new season” when the time is right.

# EAR2HEAR NETWORK

---

## **ORGANIC NETWORKING RELATIONSHIPS WITH CHRISTIAN ORGANISATIONS AND CHRISTIAN CHURCHES:**

We have been blessed over the years to meet and work with people from many organisations and churches. It is an honour to build friendships and connections with these groups. These connections have been heaven-inspired. Each organisation and church that we can help in the Kingdom effectiveness means that they reach and disciple and help more people. Please pray for the following:

1. The existing partnerships and friendships – that they will be well maintained and effective in the Kingdom work we do.
  2. Wisdom as we advise people looking for answers as they manage their organisations.
  3. Breakthrough for the organisations we are privileged to help in their times of need.
  4. New connections to be made so that our network will grow.

A call from the USA has gone out by a Messianic Pastor by the name of Jonathan Cahn. He a prophetic warning that America and by extension the world, need to move to God in repentance as a great time of calamity waits for humanity if we don't. Considering the times we are living it is time to fall our knees to repent and ask God to awaken us!
