

**DAY 25**

***“Who has believed our message? “To whom has the LORD revealed his powerful arm?”***

Isaiah 53:1 NLT

God’s powerful arm wants to deliver us but as it so happens, we are oftentimes expecting the worst (or the best) ahead in the “new season” and we plan accordingly. God is looking for people who will take their expectations to Him and place it at His feet instead. We do this by believing the message of the Lord, the Word of God. Your plans and expectations will always disappoint. God can do more for you than your plans and expectations because He cares. Ephesians 3:20 says: *“Now all glory to God, who is able, through his mighty power at work within us, to accomplish infinitely more than we might ask or think”*. He wants to reveal his powerful arm for you in the “new season”. Faith/expectation in the message opens the way for God to work powerfully. Jeremiah the great prophets of the Old Testament went through some challenging seasons. He honoured God in prayer declaring *“O Sovereign LORD! You made the heavens and earth by your strong hand and powerful arm. Nothing is too hard for you”* (Jeremiah 32:17). Jeremiah was expectant from God because God’s track record with Him was amazing. Are you ready to see God move in the “new season” than tell God you believe His message and you are going to trust Him no matter what! Ask the Holy Spirit to cement a determined, divine faith in you today!

# PALM TREE LEADERSHIP FORUM

---

PALM TREE LEADERSHIP FORUM is an organisation with a passion to bring leaders who work among the youth together so that they can be more effective. Please pray for:

1. Johanna Bopape the organisation chairperson and the executive committee and the incredible work they do with very little resources.
  2. The leaders that are members of the forum: that God would bless them as they unify in working together for the Kingdom of God.
  3. The vision so that PTLF will always understand what God wants to do.
  4. Breakthrough and provision – many of the leaders do amazing work without support or assistance from organisations or even local churches.
  5. Growth and expansion – that God would provide the right people to start branches in other parts of the country with people who share the same vision.
  6. Protection – the enemy is a roaring lion trying to stop this work.

Today the focus of our prayers will be **Repentance for words of death, gossip, criticism, cursing and prejudice. Repentance for anger, violence and bloodshed.** This remains a major problem for all civilisations... even as far back to when Cain killed his brother Abel. South Africa has been no stranger to this kind of brokenness and Satan has created a narrative that speaks of killing, stealing and destroying. Pray that South Africa would turn to Jesus who gives life and life in its fullness.
