

DAY 28

“Always be joyful.”

1 Thessalonians 5:16 NLT (See also Psalm 149:2, Proverbs 17:22)
The “new season” is going to have its challenges but there is a secret to living victoriously in every season. God wants to impart His JOY to us. The JOY of the Lord is an abiding fruit that God places within those who walk with Him & keep His commandments. We are commanded to love God and love our neighbour (John 15:9 – 11). By doing this our joy will be FULL! The prefix “RE” in the word “rejoice” means “again and again”. JOY can be enjoyed again and again as we choose to submit to God’s commands again and again. That sounds so difficult when people today can barely maintain their happiness. Happiness is a feeling based on our emotional and physical well-being. Happiness is not consistent it comes and goes. This is not the “JOY of the Lord”. JOY is consistent as it helps us to rise above the challenges with heavens strength and dignity (Nehemiah 8:10-11). NO MATTER WHAT SEASON you are in – JOY will turn you into a force of heaven. God also wants to give us COMPLETE JOY. There is another dimension to JOY. Jesus tells us (see John 16:23-24) that we can ask anything in His name and we will receive from heaven. When we receive the gifts of heaven it will give us COMPLETE JOY. Why? Nothing stirs JOY in us more than knowing God has is fighting for us, providing for every need. God’s miraculous power at work gives us victories that complete our JOY. Ask the Holy Spirit to impart a baptism of JOY for the “new season”.

BABY MINISTRY

For several years Ronelle Roux has advocated for ministry to unborn children in the womb and babies. She has developed a beautiful and practical workshop for parents where they are taught how to connect to their child and minister to it while in the womb. She correctly teaches that every life has been given a spirit and parents can minister to their Spirit. Please pray the following:

1. For Ronelle as she prepares to digitise this workshop for use in churches and ministries in South Africa and possibly around the world.
 2. For the workshop materials: that they will be effective and easily grasped by the parents who already have limited time to devote while preparing for the birth of their child.
 3. For testimonies to come from the workshop participants so more people can see the benefit of ministry to unborn children and babies.
 4. For wisdom for Ronelle and clear guidance through this process.

Correction:

Yesterday it was incorrectly stated that we were praying for day 9 today... but it should have stated “DAY 10”.
