

DAY 3

*We can make our plans, but the LORD
determines our steps.*

Proverbs 16:9 NLT

To enter a new season, we need to let go of some of the things that may have defined the old season, including,

...all of the past disappointments

...all of the past way of thinking that did not produce fruit

...old inspirations and ideas

...sinfulness and habits

If we hold on to these we will only be stuck in circular ways of life that will produce no fruit. Like quick-sand the past season will hold you back and you will never enter into the rest of being in God's intended season for you.

If we do not let go of the past season our plans for the new will be flawed... and our cycle of disappointment can continue unchecked. God does not want this for us and He will allow circumstances that will weed the past baggage from us to help us move forward. Pray that the Holy Spirit will help you submit "the past season" to the Father so you can enter into the new season unconflicted.

EAR2HEAR PUBLICATIONS

Please pray for the following:

1. The Refreshing Magazine 2021 which must continue after the lifting of lockdown. Pray for the content, the production and editing and finally the successful distribution of the magazine.
2. There are two, new books in the pipeline that will be edited and worked on by us. Please pray for this.
3. The Live and Learn series of teachings continues full steam. Pray for the various topics we are publishing. Pray for the audio recordings of the various works.
4. The distribution of Bibles and Bible tracts has been a great blessing to us. We have given out over a hundred Bibles to Missionaries in July/August; along with thousands of Gospels of Johns to people in various languages. Please pray for this work to continue. Pray for the provision of more Bibles and spiritual materials. God is always faithful.
5. We are continuing to prepare HOPE BOXES and SD CARDS to distribute, materials with resources such as audio Bibles, discipleship audios & videos, Jesus films, text Bibles and training. These resources help people with no access to the internet to get materials in their languages. We provide these resources freely without charging a cent. Please pray for God's provision in these projects. Pray for open doors and good contacts to help us.

The RSA government plans to enact laws that will censor internet content. It seems a positive step toward curbing unhealthy content on the internet. However, most censorship laws are abused by authorities. Please pray that the will of God will prevail. Pray that the Lord would give us heavenly wisdom to act in a Godly way.
