

DAY 4

*Seek the Kingdom of God above all else,
and live righteously, and he will give you
everything you need.*

Matthew 6:33 16:9 NLT

When the topic of a “new season” is discussed, some Christians get excited because they believe it means a change is coming for their circumstances. By circumstances, we mean their health, wealth and happiness. Yet, change in our “seasonal” circumstances is not about us becoming more comfortable with the earthly, fleshly lifestyle promoted by the world. Instead, “new seasons” are about shedding every weight and sin that would trip us up. These weights are intended by Satan to imprison us, keeping from fulfilling God’s intended plan for our lives.

When we know a “new season” is upon us – we must understand **it is God who is transitioning us so we can serve His agenda first.** Let us pray that the Lord would help us to enter the “new season” to **seek and live for His Kingdom....** The good news is when you put God first He will take care of you and your needs anyway.

VALUABLE TO JESUS CAMPAIGN

Please pray for the following:

1. Favour with the various agencies and bodies we work with to bring the Valuable to Jesus message to our community. Without the cooperation and unity in the broader community, it is difficult, if not impossible to tackle the major issues that the Campaign addresses.
2. The Online workshop
 - a. For the Students that we would get more people interested in the workshop. Pray also that students who start will complete the workshop timeously and determined to take the message to their various communities.
 - b. The Content and delivery of the workshop – that there would be no technical issues and the content would be Holy Spirit inspired.
3. The Creative Teams – we have many excellent people who are starting to help us with the creative gifts that we give the people we reach with the message. This gift is so important and it opens doors for us to work with people. The people making the gifts pray for the people who will receive them. This is exciting because they are asking God to heal the broken and open them to the Gospel of Jesus.
4. Protection for the Valuable to Jesus team.
5. The growth of the project so it can go to many, in South Africa and globally.
6. Open doors in communities including pre-schools, day-care centres, primary schools, middle schools, colleges, high schools, universities and old-age homes – and any other conceivable place where we can declare the Gospel, the release for captives and prisoners.
