

**DAY 7**

*The father instantly cried out (to Jesus)  
“I do believe,  
but help me overcome my unbelief!”.*

Mark 9:24 NLT

Faith is an essential travelling companion on the road to a “new season”. The “new season” is full of unknown and exciting challenges that the Lord uses to transform us into the likeness of King Jesus. Unbelief can be a disastrous way to enter a “new season”. When confronted with the unknown we need to believe that God will carry us through to the other side of the journey. We may back-pedal if our faith fails us. That is why we should confidently ask God to give us His faith so we can enter the “new season” boldly. Some people do not manifest the same symptoms of unbelief that others have. Some have a strong sense of self-confidence and self-reliance on experience. This, however, can be a manifestation of unbelief as you trust in yourself to confront the challenges of the “new season”. This sort of unbelief can give a foothold to the Leviathan spirit. If you need to repent because of unbelief then now is the time to do so. If you need to ask the Father for an overabundant measure of faith, then what are you waiting for?

## **Additional prayer request:**

Persecution in India due to nationalism and anti-religious sentiment towards religious minorities has made life particularly challenging for Christians in India. Pray that King Jesus will be represented powerfully through these believers as the King of Peace and as a God of Salvation and Hope. Pray that believers will set the example for forgiveness and reconciliation.
