

THE GATHERING

Greetings:

The following dates have been set out for The Gatherings to take place with the idea of working through the principles of **HEALING LEAVES**. I suggest you diarise this. We have had some excellent responses from Pastors and leaders regarding what the Lord is teaching through this initiative. The Idea is that you will be equipped to live these principles powerfully and effectively in your life, and demonstrate/equip others to live them in the body of Christ as well.

What to expect:

- Principles for walking in the Spirit
- Experienced Facilitators
- Collaborative learning
- Hands-on-Activities
- Peer-Teaching

Please book for 2025:

**22 February, 29 March, 3 May, 21 June,
19 July, 23 August, 27 September,
18 October, 22 November, 13 December.**
